STATEMENT OF PROBABLE CAUSE

R.L.H.

CVB Location Code: NJ61

Violation Notice Number: E1117605 E1117604

I state that on November 14, 2020 while exercising my duties as a law enforcement officer in the GNRA-SHV District of New Jersey.

While on foot patrol, I observed a male (Bruce F. SPRINGSTEEN) consume a shot of Patron tequila and then get on his motorcycle and start the engine. I contacted SPRINGSTEEN and informed him alcohol is prohibited at Sandy Hook. The Patron bottle that the shot was poured out of was completely empty (750 mL). I asked SPRINGSTEEN if he was leaving and he confirmed that he was going to drive out of the park. SPRINGSTEEN claimed that he had two shots of tequila in the last 20 minutes. SPRINGSTEEN smelt strongly of alcohol coming off his person and had glassy eyes. I ran SPRINGSTEEN through standardized field sobriety tests. I observed four out of six clues on the horizontal gaze nystagmus test. SPRINGSTEEN was visibly swaying back and forth while I observed his eyes. I observed five out of eight clues on the walk and turn test. SPRINGSTEEN took 45 total steps during the walk and turn instead of the instructed 18. SPRINGSTEEN refused to provide a sample on the preliminary breath test.

The foregoing statement is based upon:

- ☒ my personal observation ☒ my personal investigation
- ☐ information supplied to me from my fellow officer's observation
- ☐ other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
