Dear Rob and Blac,

As you may know, HUSTLER is the world's leading provider of adult content and is one of the most popular consumer brands in the world.

We are known around the globe for our top-quality videos in a variety of genres, both hard-core and soft-core. One movie category upon which we are currently looking to place more focus is celebrity sex tapes. These have proven to be both sought-after and lucrative.

Considering your fan base and popular appeal, we think you would be excellent candidates for this type of venture, and believe that, if you make such a video with us, you could earn up to one million dollars or more.

We would love to discuss this opportunity with you further, and will certainly keep any conversations confidential. Please don't hesitate to contact me at your earliest convenience.
