Re: Marriage of Hopper

Dear Joe:

A number of Victoria's belongings, including her clothing, remain in [REDACTED]. There are a number of pieces of art, which Dennis has confirmed are Victoria's, in [REDACTED]. We have requested before, and I request again, that we arrange a time for Victoria to come into the home and retrieve her belongings. Someone from our office will be present with her. Please respond. There is no reason for Dennis to be in possession of Victoria's clothing or items he acknowledges are hers.
