Disgusting.

Must we really go there.

I don't care what you've heard about who or where.

I dare you to say that my wife is a liar,

and I wouldn't believe it, but the water is higher;

And here comes the fire

that will burn your soul

'Cause I know what you did when she was 12 years old.

I know about the drinking and you thinking you'd get away

worried about the "shame" that she'd live with one day.

Bullshit!

You fooled with my wife when she was young.

Sucking and groping, do you remember what was done?

Well she does, and she told me how you made her feel.

like she was wrong, when this was your deal.
