Dear Nadya,

We were very sorry to read about your being faced, once again, with the very real possibility of eviction from your home.

We have an easy and ready solution for you to relieve yourself of this financial problem. We are offering you the opportunity to perform in one scene, for one hour in one of our movies and we will pay you \$500K and we can arrange for this to happen quickly so that you will get paid in advance of your October 9th deadline.

We know how important your family is to you and we urge you to give our offer serious consideration. We will work closely with you in planning your scene to make this an enjoyable experience for you.

Please call me directly at your earliest convenience so we can discuss this in more detail. I look forward to hearing from you.

Sincerely,

Steven Hirsch
