

Summary of my trip

Going to the gym is never what it seems !!! I say I'm gonna go hard ... but I always walk for 20 min and do 100 sit up's and leave 🌷 !!! This time I chewed gum and was shocked at how short I looked in the mirror 🪞 !!!

Riding bikes with my friend honestly seemed like a great idea 🚲 ... but I went too far and got lost 🙄 !!! When finding my way back I went to play tennis 🎾 !!! I thought I lost my phone but it was under a ladder 🪜 !!! I know a lot of people make fun of me

because I use a ring light ... but I like using it SO I bought 3 new bathing suits for this trip 👙 !!! Only one really resonates with me !!! My favorite part of my trip is being naked in the water !!! I saw two crabs walking with shells on there backs 🦀 !!! My friend picked up one and I screamed !!! The only fish I saw were extremely small ... white clear baby fish swam with them in the shallow end !!! The boat was exciting except I wanted to drive it 🚤 !!! They used to let me drive it before ... not sure why they didn't this time 😬😬😬 !!! Since I changed my

name to XILA I actually am having a hard time understanding English. The dress I wore in my pics is the only dress that actually fit me !!! When I go out at night I like having dinner by myself !!! I'm so weird ... but I still adore people that's why I'm telling you guys about this hairspray I'm spraying !!! Every hairdresser I've ever had knows I won't shut up about Oribe hair spray ... but seriously go buy it and tell me what the hell you think !!! It's that good 👍!!! I know

thumbs up is not the cool thing to do ... damn I actually need to stop doing that !!! The coolest thing that I posted is when I actually really f████ed up and messed up with a screen shot and accidentally put red all over it !!! The back of my neck is written in Hebrew extremely tiny ... Mem Hei Shin ... it means the power to heal !!! It comes from the 72 names of God in Kabbalah which I studied a long time ago !!! I should probably start studying it again ... people would probably shit if they knew the hours I spent in on those books !!! It's the tiniest book ever written  !!!

There are a lot of other things that happened on this trip that I'm not sharing as well ... nothing is what it seems sometimes 🤔 !!! I portray that everything is completely perfect but trust me I've been through it as well and I would share those struggles but they are too offensive to share ... it would make other people extremely sad and honestly there's not a damn thing I can do about it so just know my life is not as perfect as it seems ... and remember my beautiful friends you're not alone 🌹 !!!
