mythical creatures: angels, dragons, and fairies

type of books: fantasy, and anime/manga magazines I get: neo, otaku usa, game informer, pc gamer, CBS-ABC-NBC soaps in depth, and x-box magazine.

Books I am reading: yu-gi-oh arc-v, psypen, 12 beast, the rising of the shield hero, bleach, fairy tail, the seven deadly sins, attack on titan, that time I got reincarnated as a slime, The ancient magus bride, and sword art online. I don't like spiders, snakes, heights, and men that hit and abuse women and children. what are your likes and dislikes?

I am writing to ask for a pardon because I am innocent and want to go home. If I would get to go home, I would like to get a job involving video games. I would like to help take care of my mom and one day have a son and a daughter of my own. I would name my daughter Grace and my son Mizar which is the name of a star in the big dipper. that is all for now, take care and until next time. love the complete and innocent;

Brendan Dassey

p.s. again congrats on becoming the governor.
