Re: Demand to remove the article entitled "EXCLUSIVE: Riff Raff (@JodyHighRoller) Masturbated Right In Front Of Me \*\*WARNING NUDE IMAGES\*\*", photographs & related comments

---

Dear Mr. Richie:

Please be advised this law firm represents Mr. Horst Christian Simco professionally known as "Riff Raff" who is the subject of the "news" story entitled "EXCLUSIVE: Riff Raff (@JodyHighRoller) Masturbated Right In Front Of Me \*\*WARNING NUDE IMAGES\*\*" with a link at <http://www.thedirty.com/2013/08/exclusive-riff-raff-jodyhighroller-masturbated-right-infront-of-me-warning-nude-images/>. First, your story's title is misleading. It gives the impression that your story contains facts as opposed to lies and accusations. My client vehemently denies the allegations contained in your article. Further, unauthorized photographs of my client are posted on your site for TheDirty.com's commercial gain and for the purpose of injuring my client's reputation in the entertainment industry, in violation of California law. The article coupled with the unauthorized photographs place my client in a false light. Accordingly, we hereby demand that you immediately remove the article, all photographs (including disabling any and all active links to the photographs), related comments and any and all posts (and comments) on any social media site (including but not limited to your personal Twitter and Tweetwood accounts).

Failure to promptly comply with this request will result in my client pursuing any and all legal remedies available to him.

This letter is not intended to be a complete or full statement of the facts or law pertaining to this matter. Nothing contained in, or omitted from this letter shall be deemed to be an admission of any fact or waiver or relinquishment of any of my client's rights or remedies, whether legal or equitable, all of which are hereby expressly reserved. This letter is a confidential legal communication and it is not intended for publication. Any publication, dissemination or broadcast of any portion of this letter in any manner whatsoever will constitute a breach of such confidence and violation of the Copyright Act.

I encourage you to govern yourself accordingly.

Sincerely,

Tabetha D. Plummer, Esq.
