Re: Laure London (the Kim Kardashian Story)

Dear Mr. Welch, Ms. Lee and Ms. Biermann:

I am writing to follow up on my previous voice message and email to Ms. Biermann. As I previously indicated, someone has been impersonating Ms. London for some time now. Accordingly, any information provided to you by "Lauren London" is not reliable and almost certainly false. To be clear, Ms. London has never spoken to anyone at IN TOUCH WEEKLY, does not know Mr. Lockett and did not introduce him to Ms. Kardashian.

Please feel free to contact me if you would like to discuss this matter further.

Regards,

Jennifer Levin
