I'm finally addressing because I have to... I've read your comments so here's my response....

The days of me suffering in silence and living in fear are over..... 167 pages filed in the Los Angeles courthouse  
111 Hill Street...

No lies and no goofy shit.... Everything in these court docs has real receipts attached....

Sadly, when f€#k shit is done to MEN it doesn't matter.... Blackmail, extortion, defamation, death threats, tax evasion forged signatures, falsified bank statements, domestic and international wire fraud.. Money laundering all the above spelled out....

I got nothing to lose but my peace and sanity...

I got it.... was born a man so none of this in these court documents will ever matter....

Not to worry.... Don't hold your breath there will be no crying videos uploaded.

I've got nothing to lose but my mind and my reputation... And neither one of these are no longer up for grabs..

I get it, I get it... We are living in the TIMES UP and ME TOO ERA! And as soon as a man goes public about the abuse and trauma inflicted on him by a women we are shamed into silence? I'm past that...Be yourself in my comments! STFU , MAN UP! Stop putting your personal s█it out there on the timeline.... Be more private?

Did you tell my ex to be more private in 2017 when her accusations rocked my life, my career, my marriage and every opportunity imaginable that was in motion was killed instantly?

After a FULL TRIAL in 2017 with her testifying over 120 LIES was documented UNDER OATH...Did you shame her into silence? No!

I'm done living my life in fear of what she might accuse me of next... I'm done with anyone having power over my life to make ALL THAT I HAVE BUILT crumble.... [ for those of you who will say "Cry me a river, you rich alpha MALE".... That's cool.

Extortion, death threats, blackmail, tax evasion, domestic and international wire fraud, skipping 3 FULL YEARS of tuition of our daughter's school OVER 25k in the rears 167 pages of the full on court documents link in bio ] ...25 years of my life and me being a committed father.... No one will EVER HAVE POWER over my life and career.... Ever.... One thing I don't do is LIE.... If you know of my A-List family law attorney Terry Levich Ross who had to install bullet proof windows in her office after we both received death threats? Before they make me delete this post and the link with the full 167 pages of court documents with details [ receipts ] to back up everything GO THERE NOW

Imagine that? Setting up bank accounts in your deceased father's name? Forging his signature on checks? .... Imagine giving yo BM 11k a month and she refuse to get your own daughter's hair and nails done?

Imagine a COURT ORDER that states we're supposed to be 50\50 on school tuition and she's missed 3 FULL YEARS of payments? If No f█ks given was a person

I am done with living in fear... I got 1 TYRESE! Just 1.. and I am going to protect my name and legacy and family until I take my last breath.. This is a man BLEEDING OUT LOUD
