 On the above date and time, I responded reference to a harassing phone calls complaint. Upon my arrival, I made contact with the victim Vanessa Lopez.

Ms. Lopez advised me that she has been going through some legal proceedings with her ex-boyfriend J J Redick and that his brother David Redick the suspect, has been calling and threatening her on the phone since 0230 hrs this morning. Ms. Lopez stated that Redick left threatening messages on her voice mail and via text message stating that she would be "sought out". Ms. Lopez stated that Redick has called her eleven times and she has told him to stop. Ms. Lopez is in fear that Redick may come to her home and harm her because he has been to her residence before and knows where she lives.

Ms. Lopez would like to press charges for harassing phone calls and provided a statement.

Redick called Ms. Lopez while I was at her residence taking this report and stated to her that he would leave her alone when she leaves J J alone. I advised Redick that charges would follow if he continued calling.

Extra area patrol requested by Ms. Lopez.

This report is being forwarded to CID for further investigation

I swear/affirm the above statements are true and correct.
