

**euphoric\_lasvegas** The beautiful girls of @euphoric\_lasvegas would like to thank the entire country for rocking with us in Las Vegas , We put together a dynasty in such short time , but sadly to announce that @euphoric\_lasvegas Will not reopen . Unfortunately mr @bluefasebabyy decided to bring gang related activities to our establishment & put all of our girls out of business , & ruined the #1 urban spot in Las a vegas , @euphoric\_lasvegas was a spot for everyone to have fun , & everyone super enjoyed it , but as e everyone say . It's always the blacks that can't nothing. We knew what we was up against when we opened. We are not upset with the police for not letting us open , because they gave us a chance that everyone said they wouldn't. It wasn't a white man that closed us down. It was a black man. Mr @bluefasebabyy , & we have lawyered up & make 100% sure that he either spends the rest of his life in prison , or he is going to pay us until the day he leaves this earth . We have given the footage to the police , & the guy that was driving the truck was just beating up by @bluefasebabyy & his crew for absolutely no reason. The gentleman never said anything to no girl In they car 🤔🤔🤔 . That's all bull jive , @bluefasebabyy & his crew jumped on this man over a shirt that he was wearing. The man isn't even a gang member , he drove back up in his truck and said "Who jumped me" as he said that , @bluefasebabyy pulled out a gun and started shooting , he wasn't trying to run him over at all. So stop saying that its self defense. @bluefasebabyy is 100% guilty. & we are going to make sure that he's put away in court. But once again , we appreciate all the support , but it's another black business closed in Las Vegas. All because of our own decided to mess it up , We need yall to understand that our girls and staff is devastated with the terrible news . It took us 11 months to build the club , & was closed in 2 months 🙄 . But hey , once again It wasn't not the white man fault. It's our own people that hurt us. Attempted murder is exactly what mr @bluefasebabyy did.
