I SAY WE GO FORWARD WITH OUR STORY WH WAS WELL UNDERWAY BEFORE OPRAH SHOW EVER GOT IN THE GAME. WE DEFINITELY NEED TO SCOOP THE DEAL SO IF WE NEED TO SHOOT THIS WEEK THEN LETS DO IT. WE CAN AIR IT THE FIRST WEEK IF IT IS GOOD AND WE NEED TO. IF SHE TELLS THE OPRAH PEOPLE ABOUT US THEY WILL LIKELY ATTEMPT TO DERAIL IT BY MOVING UP THEIR SCHEDULE.

I WOULD LOVE TO INTERVIEW THE SUSPECTS. THERE IS A GOOD CHANCE I COULD GET THEM TO TELL US SMTHG MEANINGFUL (LIKE THEY DID IT)!!!

Just talked to jamie skeeters - he is doing a poly at 9am tomorrow aruba time w/ the guy who saw them bury a white blonde girl whose body was purple (time line had been a couple days since disappearance) he will be videoing it w/ his camera. Beth is absolutely committed to us & keeping what we are doing a secret -however she told me "the only other thing I am doing is taping Oprah on sept 20". I asked when they approached her & it was a few weeks ago. (This was the first time I have been able to talk to her or I would have asked sooner) Now I couldn't aske her not to do Oprah since she had already talked to them & that would seem crass since she is just trying to find her daughter - dead or alive any way she can keep the story going -but we can OUT SCOOP Oprah & do the show w/ her first (no matter what we find tomorrow we still have an interesting show -plus only YOU can really help her now -her daughter is dead-Oprah can't do a show with her like we can...so that means we may need to tape w/ her this week or the next depending on what jamie gets to make sure we have the story in the can &
