Dear Ms. Polizzi,

After viewing the recent episode of South Park earlier this week, we at <http://AcaiSupply.com> have decided we can no longer sit back and keep our mouth's shut while the world ridicules our beloved Snooki! Obesity is a major epidemic in the United States, and we would like to help you rid yourself of this terrible affliction. Life doesn't have to be this way.

It's time to prove South Park and all of your naysayers wrong! We, along with your fans, agree that you DO have a bright future ahead of you in the entertainment business, and the only way you can reach your goals is by being active, fit, and most of all, healthy!

Thousands of people around the world say that Acai Supply's Acai berry products help them live a healthier life that is full of energy and vitality.

<http://www.acaisupply.com> has taken Acai Berry one step further by combining Acai extract with a combination of nutrients that help with weight-loss, increasing energy levels, and antioxidants that help promote healthier looking skin.

AcaiSupply.com would like to offer Ms. Polizzi a ONE YEAR FREE SUPPLY of ACAISUPPLY.com in return for her glowing testimonial after she sheds her unwanted pounds. We won't stop there either, we are pleased to invite Ms. Polizzi to earn referral fees for every new weight loss client she refers via the AcaiSupply.com affiliate program now running at the Essociate.com affiliate network.

Please get back to me at your earliest convenience with your or your representative's shipping address so that we may ship out your first month's supply.
