

The fires in California have devastated so many families, and it's been heartbreaking to see these stories unfold. So much suffering, loss, and destruction. As so many people embark on some of the most challenging times of their lives, there are also many amazing organizations and groups banding together to help these communities rebuild.

These are the organizations I've donated to. If you feel compelled or able to donate, please do.

- 211 LA
- California Community Foundation Fund
 - Direct Relief
- Greater Los Angeles Education Foundation
- Habitat For Humanity of Greater Los Angeles
 - Los Angeles Fire Department Foundation
 - Los Angeles Regional Food Bank
- Los Angeles Unified School District Education Foundation
Emergency Relief Fund
