RE: Termination of Edward Furlong/Other Plans Agreement

Dear Tanya, Courtney and Mark,

Edward's criminal legal issues over the past four months have directly caused our production damages to its schedule and budget. Given Edwards current status as being in jail awaiting arraignment on two charges of criminal domestic violence, and a probation violation hearing on 2/15/13, we are no longer able to engage his services for the film as per our agreement.

Let this letter serve as our notification to you that the agreement between Claire Films, LLC and Edward Furlong/Dark and Stormy Night Productions, Inc dated as of October 5th, 2012 with regard to the production of the theatrical feature motion picture titled *Other Plans* is hereby terminated.

Claire Films, LLC has no further obligations to Edward Furlong/Dark and Stormy Night Productions, Inc under our agreement.

Thank you,

Joe Eckardt
