Dear Kate,

We were so sorry to hear that Coupon Cabin felt you weren't "a good fit," but we think you'd be a terrific fit for *VividTV*, and we'd like to open that door for you.

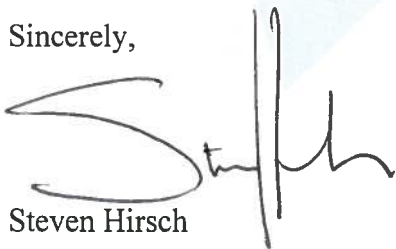

VividTV is the exciting new cable division of **Vivid Entertainment**, the world's leading adult film studio. And fortunately for you, we're looking for our very first Naked Host!

You'd present our award-winning programming on-air, and our worldwide audience would no doubt appreciate your "perkiness." We think you'll have them hanging on to your every word.

When you're clothed you'll get to wear wonderful erotic outfits which you'll help to choose. You'll build your fan base with our enthusiastic viewers, you'll be a part of our renowned creative team and you'll have a flex schedule that will leave plenty of time for family.

We've all seen you as a beautiful, caring, working mom. Isn't it time now for the world to see you as a hot babe in high quality but very sexy entertainment? Please share with us your thoughts. We have binders of women who would love the job, but you're definitely our first choice.

Sincerely,

Steven Hirsch
