RE: CHRISTINA AGUILERA OFFER/ The Big & The Beautiful

Dear Ms. Brennan,

Hope this finds you well! I am reaching out to you in regards to your client, music superstar Christina Aguilera. I extremely interested in exploring with you the possibility of engaging Ms. Aguilera as a spokeswoman for my dating website, TheBigandtheBeautiful.com. As President of a service specifically designed for women with curves (and proud of them), I have been following Ms. Aguilera's career and feel she would be a perfect fit as the new face of the brand.

Pending mutual execution of a binding agreement, in exchange for her participation in an international marketing campaign, including one (1) television commercial, one (1) radio commercial, two (2) photo shoots, and four (4) public appearances, we are prepared to offer her compensation of \$3 Million. In addition, we would like Ms. Aguilera to showcase her four-octave voice by recording an original jingle that would be incorporated into the ad campaigns and publicized through social media initiatives.

I hope she is interested in exploring this opportunity with us. I would welcome the chance to meet with you to further discuss our proposal. Thank you for your consideration and I look forward to hearing from you.

Very truly yours,

WHITNEY THOMPSON
