Hi Sorry for the mass email, but I need to ask for some help. As I am sure most of you are aware, my wife Monica was killed on our recent trip to Mexico, and now unfortunately, the Mexican authorities have decided to charge me with the crime. I am innocent and intend to fight in court both here and in Mexico. As I am likely to be detained in the U.S. while fighting extradition, I am asking you if you are willing to write a letter on my behalf. Your letters will likely help me secure bail so that I can be home with my children while fighting extradition. If you are willing to help please send an email to my attorney Richard Hirsch. His email is

_____ The letter should contain the following: Who you are What you do How you know me For how long we've known each other That you are aware of the case That you are aware of my intention to fight That I am a responsible person who will appear when requested (not jump bail basically) Anything positive about my character.

Thank you,

Bruce Beresford-Redman
