Dear Heidi and Spencer,

Hope this email finds you well. In light of recent reports that you will be filing for bankruptcy, my company Youwager.com, a leading sports book with top management and line-makers collecting over 150 years of experience based out of Costa Rica, would like to offer you both a joint position to head our Entertainment Lines division.

Within the position, you would manage the odds and lines surrounding the entertainment sector - ranging from celebrity news and pop culture to music and movies. In order to do this we would need you to relocate to our headquarters in Costa Rica to be available on-site. Compensation for this role will be \$100,000.

I would love to speak with you further to hear your thoughts and discuss the details of the offer. Please let me know when would be best for you and we can arrange accordingly. Please visit Youwager.com to learn more about the company or feel free to contact me directly at (removed) with any questions. Look forward to hearing from you.

Best,
Cory Scott
Manager, Youwager.com
