M.  
I've waited a long time 2 finally write this  
Mainly because I was struggling to find all the  
answers so that I wouldn't leave any unanswered  
questions. First and Foremost, I must apologize to you  
because like you said I haven't been the kind of friend  
I know I am capable of being. Not because I am evil  
or because you weren't worthy but at the risk of  
sounding over dramatic, the effects of racism make  
it difficult for a young black male to properly show  
affection for an older white woman. Can U understand that?  
For you to be seen with a black man wouldn't in any  
way jeopardize your career; if anything it would make you  
seem that much more open & exciting. But for me at least  
in my previous perception I felt due to my "image"  
I would be letting down half of the people who made  
me what I thought I was. I never meant to hurt you.  
As a matter of fact I was honestly stuck on you but  
I got scared. I didn't want to be another "Toy"  
or another one of many. Also, I read somewhere in  
~~the~~ an interview where you said "I'm off to rehabilitate  
all the Rappers & Basketball players" or something to that effect  
those words cut me deep seeing how I had never known  
you to be with any rappers besides myself. It was at  
this moment out of hurt & a natural instinct to strike back  
and defend my heart & ego that I said a lot of things  
I have since come to regret. But you know how fucked up  
society can be. If it wasn't then I could openly  
show you how I felt anytime, anywhere and you in return  
could show your support for me in the open not just  
anonymously. Can you feel me? 

In the time since, As u can see, I have grown both Spiritually and mentally. It no longer matters how I'm perceived. Please understand my previous position as that of a young man with limited experience with a extremely famous sex symbol who also happens to be known to every man, woman, and child in the world.

Please remember me not for my shortcomings but for the good times and the magic that we shared.

(Assuming of course that I meant anything 2 u)

Now my outlook is different everyone is judged and treated not by their color or fame but on how they treat me and because you have been so kind even in the midst of my craziness I offer my friendship once again this time much stronger & focused. If you are still interested I would like to further discuss this with you but some of it couldn't wait. I felt compelled to tell you... just in case anything happened.

PLEASE Be Careful Madonna

Everyone is not as honorable as they seem

There are those whose hearts bleed with envy & evil

They would not hesitate to do you harm!

Let my 5 bullets be proof of that!

P.S. If there is any information you can share with me regarding Jack & crew please do it could very well be a matter of Life & Death

Always

I Don't Know How you feel  
About Visiting Me But if you  
could find it in your Heart  
I would love to Speak face to face  
with you. It's funny but this experience has taught me  
to not take Time & granted. ♡
