

15:25-7 january MG Oksana . I wasn't safe for you last night . I spent 2 hours with a therapist today & have regained some perspective. What I'm telling you now is I am safe & would like to come by to make an amends to you sacha & Lucia . I won't stay just let u say your peace & I'll say mine. Let me know if it's alright! Or if it's not Let me know either way Yes or no It's important I apologize to sacha b4 he goes

15:54 7 january MG Please respond one way or another OG I have two broken front teeth and a concussion. I can not c u today, I'm hurting. U can appoligize to Sacha some other time MG Did u get them fixedyet? When can I see you? I need to see you this evening & then I promise I'll leave you alone for as long as u want If only for 10 minutes Please
