DEPUTY CLERK

6. That the parties last cohabitated in Warren County, Virginia on or about September 13, 2011.
7. That upon information and belief, for a period of months before the date of separation, and unknown to the Plaintiff at that time, the Defendant was engaged in an adulterous relationship with one Neal Schoun, her paramour. 8. That on or about September 13, 2011, Michaelae failed to return home from Northern Virginia and I reported her missing or kidnapped. It was later learned through the FBI that she had been found with Schoun in Memphis and that the Defendant stated she was not returning home and had thus abandoned the marriage and the marital home.

17. The Plaintiff believes that the conduct of the Defendant in vacating the marital residence to continue her adulterous relationship with her paramour constitutes desertion, both physical and financial.
18. Your Plaintiff has been greatly hurt and disturbed by the Defendant's actions on or about September 13, 2011, and on that date, decided that he wished to terminate the marriage and that the separation would be permanent. There is no hope or possibility of reconciliation.

- I. That the Court ratify and affirm the Premarital Agreement of the parties.
- J. That the Court award such further relief as it deems proper and the circumstances warrant.

RESPECTFULLY SUBMITTED,

Tareq D. Salahi

## TMZ: Michaela Salahi Ran Off With Journey Guitarist Neal Schon

Updated: Thursday, 15 Sep 2011, 10:53 AM EDT  
Published: Wednesday, 14 Sep 2011, 5:56 PM EDT

FRONT ROYAL, Va. - An attorney says the husband of "Real Housewives of D.C." cast member Michaela Salahi is relieved that she's OK but devastated that she's apparently left.

Tareq Salahi's attorney, David Silek, told ABC's "Good Morning America" on Thursday that it's premature to say if the couple would get a divorce.

Silek's statements came amid reports that Michaela Salahi was with a member of the band Journey.

Warren County Sheriff Daniel T. McEathron said Wednesday Tareq Salahi called Tuesday afternoon to report his wife missing. In a statement, McEathron said a deputy spoke with Michaela Salahi and she assured him she had left the residence with a good friend and was where she wanted to be.

The Salahis burst onto the scene in 2009 when they crashed a White House state dinner.

But TMZ reports that Michaela has been dating Schon. Scoop Marketing, the rep for Journey, confirmed that she is currently with Schon in Memphis, where Journey is set to perform with Foreigner. She also went to his show in Nashville Tuesday night.

TMZ also confirmed Michaela has dated Schon in the past.

#### Warren County Sheriff's Office Press Release:

The Warren County Sheriff's Office received a call from Mr. Tareq Salahi on Tuesday evening September 13, 2011 at 11:55 p.m. Mr. Salahi advised us that he last heard from his wife about 6 hours ago. He was concerned because she had contacted him from an Oregon area code and she was supposed to be back in Northern Virginia today.

Deputy Mike Glavis subsequently spoke with Mrs. Salahi by telephone a few moments later. Deputy Glavis was able to identify Mrs. Salahi by having previous conversations with her in the past. She seemed calm, was engaged in conversation, and assured the deputy that she had left the residence with a good friend and was where she wanted to be. Mrs. Salahi advised that she did not want Mr. Salahi to know where she was.

Mrs. Salahi advised Deputy Glavis that she was very sorry that the Sheriff's Office had to be involved, but she did not want to be home right now.

Deputy Glavis made contact with Mr. Salahi and advised him that he had spoken with Mrs. Salahi and told him that she was fine.

The Warren County Sheriff's Office and the FBI are currently working together in an attempt to make additional contact with Mrs. Salahi to assure her well being. We have been in contact with her friends and family.

Where's Medialoid Queen Diane Dimond? Can we expect another book in defense of Salahi? More proof of how easily Dimond is duped, and no judge of character.
