

**Official Statement Regarding Snapchat Video
Depicting Jahseh Onfroy a/k/a/ XXXTentacion**

On March 26, 2018, I was informed that an old Snapchat video of myself and Jahseh Onfroy a/k/a XXXTentacion was posted on Reddit and was being talked about and circulated on the internet.

The day the video was posted, I was contacted by one of Jahseh's managers and I told him the truth: that I did not release the video and don't know how someone got it and posted it online. I also told him I was surprised that people were making such a big deal about it. The video was taken years ago when Jahseh and I were both kids and we were just joking around. I was not injured as a result of what happened nor did it negatively affect my personal life. I told his manager I was willing to give a statement saying exactly that.

I will not be pursuing any claims against him and I hope that people see the video in the playful context in which it was recorded and nothing more.
