Title Assault

Sir,

On October 16th, 2019, members of Z/C 3A22, P.O. Asfour #905 and P.O. Troutman #676, received a radio assignment at approximately 1455 hrs to respond to East 9th Street & Euclid Avenue C/W an assault. Below are the details.

Upon our arrival, we conferred with Garrett (victim), who stated he was in the car on East 9th Street, speaking on his cell phone, when an unknown white male driving a 2007 Chevy Cobalt (GFG2089) pulled up next to Garrett's vehicle and asked for a picture. Garrett told the male to hold on while he was sitting in his vehicle on the phone having a conversation. The white male later identified as Richard Perez (Offender), exited his Chevy and approached Garrett's driver window while it was down and took a picture of Garrett. Once Perez took the photo he struck Garrett in the face with a closed fist. Perez immediately got back into his Chevy and fled the scene in an unknown direction. Mr. Garrett stated he was not physically injured just surprised by the incident. At this time he refused to have Cleveland EMS check him out.

*WCS

*A check of the offender's license plate revealed that Mr. Perez is the owner of the Chevy Cobalt and was positively identified by Mr. Garrett as the male who intentionally struck him in the face.
