

"If this is my world crumbling down around me
then I wanna be inside of its
pulsing epicenter when
it 'category 5'
transforms to an
end of days Quasar
raining
shambles and mahem.

Jake Bloom and I mutually decided if I wasn't doing any more films,
then his brilliant skill set wasn't required at this point in time.

Solters was and is amazing yet he is primarily a music PR
guru.

Hence the genius of Jeff Ballard
was whisked back to a front and center and singular position as
head press agent.
I dance with who brought me, and Jeff and I have a 30 yr
history and friendship.

As far as Mark Burg;
he gracefully asked if he could step down,
temporarily or longer,
(that's between us)
in order to spend much needed time with his brand new child as well as the rest of his
family,
who have graciously taken a back seat for too many years
while he and I broke necks,
records
and took names.

I couldn't be more pleased with the current state of my
team.
much like their fearless leader,
they don't believe in
excuses
fatigue
or failure.

onward we ride.

the view still looks pretty bitchen
from up here....
