Ms. Pia Rizza

Re: EXCLUSIVE BRAZZERS OFFER

Dear Ms. Rizza,

We are longtime admirers of yours here at Brazzers. We are big fans of your leading role on VH1's Mob Wives, we loved your Cold Steel Vodka pictorial and constantly await news on your latest projects and interviews. We were already aware that you had a gorgeous physique but we must confess, when the nude pictures of you were leaked onto the internet our jaws dropped!

Although posing professionally may have never been your intention, we think you should reconsider. Your fierce sexual energy has taken the world by storm. Your fans reactions and desire to see more is undeniable and we feel that by partnering with Brazzers we will be able to provide them with exactly what they're craving.

Frequently ranked as one of the top 500 most-viewed websites on the internet, BRAZZERS.COM has millions of fans and is arguably the best adult site in the industry. Brazzers has truly become a lifestyle brand and we would be privileged to work with you and would like to offer you a \$100,000.00 contract.

We would love to meet with you and your representative to discuss the details.

Best regards,

Samantha Evans
Vice President of Brazzers
