

## MADONNA

Amanda,  
How are you? where are  
you? why don't you call me?  
you can call collect if you like!  
getting in touch with you is like  
trying to seduce the pope! I'm  
working on my movie right now in  
L.A. then I'll be in N.Y. the last 2  
weeks of March. Can't you get a modelling  
→

you there? you have to send me pictures  
lots of them. I think you are the most  
beautiful woman in the world. I'm  
dying to kiss you again. I fantasize  
about you all the time. I know you're  
married & pregnant and I cannot  
explain my attraction - nevertheless  
it's there. I'm attracted to very few women  
in this way. I wish I could see you.  
I hope your baby is good and please  
write.
