37 saying? I needed you. I'm sorry that you're feeling
38 this way, like, like, I swear to you like, you know
39 what I'm saying. Love was definitely—my love is

41 just some kinky s---t that I thought that we both—
42 you know what I'm saying—enjoy.

43
44 JANE: Mhm.

45
46 COMBS: But I'm at this—you know where I'm at at this
47 point right now with my family and my kids and
48 my girls. You know what I'm saying? And and
49 and everything that's going on. I don't want you to
50 feel this way, I'm just tryna just mother f---king
51 you know stop all this madness. You know what
52 I'm saying? And I don't want you to be feeling
53 this way. You know what I'm saying? I'm not
54 even supposed to be talking on the phone.

55
56 JANE: Mhm. Like I can't even like—I don't know. It's
57 just like—it's just. I don't know what I'm feeling
58 and what—like developed in me. I've been crying
59 for like three days. I can't even sleep. Like just
60 reading all that—it's just so like word for word.

61 Like word for word is crazy to me. And it just
 62 feels just sick. Like it just feels sick in my soul,
 63 you know.

64
 65 COMBS: Yeah, but you know me. Like how you just gonna
 66 erase—like you know me. This is when I need you
 67 to be there for me. You know me. You know what
 68 I'm saying? And you know we did all that s---t
 69 together.

70
 71 JANE: And who's there for me? Like who's there for me
 72 when I close my eyes and I have these f---ked up
 73 things in my head?

74
 75 COMBS: Alright--

76
 77 JANE: Who's there to take this out of my head and my
 78 heart. Like you know? Like and feeling so
 79 manipulated like what do I do with that feeling?
 80 Who's there for me? Who's like—I've been just
 81 privately fighting this for three years like just
 82 confused.

83
 84 COMBS: Like—we--everything we did we did mutually
 85 together. Like, like, like I don't—you know I can't
 86 go back—I'm tryna be there for you. I've called
 87 you before these days. I'm tryna—you know what
 88 I'm saying like? Okay.

90 JANE: I don't know. It's f[REDACTED]ked up. I'm just f[REDACTED]ked up
91 right now. I'm just f[REDACTED]ked up. I can't explain it.
92 It's just—it's just so bothersome.
93
94 COMBS: I'm here to help you. You know what I'm saying?
95
96 JANE: Mhm.
97
98 COMBS: Try and breath, okay? How can I be there for you?
99 And when you know I can't be on these phones
100 and s[REDACTED]t like that—you feel me?
101
102 JANE: Mhm.
103
104 COMBS: I'm asking you.
105
106 JANE: I don't know. Like (UI) it's like I just feel like
107 hypnotized.
108
109 COMBS: Let's get through this together. I mean come on.
110 Like, let's, you know. Let's get through this
111 together, come on. We gotta be—we we this is
112 something that we was f[REDACTED]king having some kinky
113 fun together. Let's not like—you know what I'm
114 saying?
115
116 JANE: Yeah. I know that's how you see it but it's just
117 like--
118

119 COMBS: Imma let you—I think you need to get some rest.
120 Have you been up all night?
121

122 JANE: I’ve been up for three days.
123

124 COMBS: Me too. I think you need to get some rest. Can you
125 please try to get some rest?
126

127 JANE: Yeah.
128

129 COMBS: Please?
130

131 JANE: I’m gonna pray and I’m gonna try to sleep. I’ll
132 talk to you.
133

134 COMBS: Huh?
135

136 JANE: I said I’m gonna pray and I’m gonna try to sleep.
137

138 COMBS: Imma pray too. Pray for me. Can you call KK if
139 you need me because like I can’t even be on the
140 phone, I just—you know what I’m saying?
141

142 JANE: Yeah. I know that’s like how you saw things but
143 just know that that’s not how I saw things and I
144 just want you to know that.
145

146 COMBS: You just what?
147

148 JANE: I said I just want you to know that. Like I know
149 that's how you saw things--
150

151 COMBS: What are you doing? Are you recording me? What
152 are you talking about?
153

154 JANE: What do you mean? I'm in my bathtub. Like I'm
155 literally like on the ground like talking to you. I
156 would never do that. Do you know how like long it
157 took me to even write that to you, like I didn't
158 even know if I should be writing that to you.
159

160 COMBS: Baby, I think—this is what I think is best. You
161 know what I'm saying? That, that, that you get
162 some rest. You know what I'm saying?
163

164 JANE: It's just the timing of things. Like, just think about
165 just just like how crazy—it just feels chilling that
166 just last week I was telling you--
167

168 COMBS: Baby, baby, baby, baby, baby I can't, I can't be
169 talking on the phone. You what I'm saying?
