INVESTIGATION

The vict stated that she is the nanny for Halle Berry and Gabriel Aubrey (Susp). The Susp and Halle Berry have a child in common (Nala 3yrs) but have never been married. The vict went to the susp residence to pick up Nala. When she got to the residence she went to the susps front door and the susp answered the door. Nala came out and the vict picked up Nala and held her in her arms. The vict then asked the susp if he had called Nala's school because she had not been to school in the past two days. The susp became very angry with the vict and stated " Your the f---ing nanny, who do you think you are, you are a nobody. Your dont need to f---ing know anything." The susp then pushed the vict, who was still holding Nala in her arms and the vict fell against the wall, that was next to the susp front door. The vict stated that if the door was not there she would of fell to the ground with Nala in her arms.
