healthy or respectful

I'm not going to Bianca

You feel like you
on? Kevin >

Or do you just want space

Kevin I don't want to be with
you. Don't come to my house
again. We can be in a good
place if you respect that.

I understand. I respect that and
I will not. So you're ready to
move on and talk to other
people though? Would make it a
lot easier for me if I knew
exactly where you were at frfr

If there's a part of you that
wants to work shit out or wants
to try to fix things. Just want to
know so I know where we're at

I'm not going to date for a
while, but eventually I will have
to. I don't know if that's gonna
be months or longer or less but
I do know that I'm not happy
right now and I need you to
stop what you're doing..

My phones broken keeps
shutting off so imma type short
messages
