

Mr. Owen,

It has come to our attention that you are in possession of certain video and photographic material which contains the unlicensed likeness of our client, Michelle McGee, aka Michelle Bombshell.

As Michelle's management we control all use of her image and likeness in whatever media form including any and all video, photos, and other graphic representations of her likeness or image on Michelle's behalf. As you neither asked for nor received permission to use any material containing her image, we assert that any non-licensed, non-permissible use will be the willful infringement of our client's rights in her own image.

We hereby demand that you cease and desist with any attempt to release any and all unlicensed material which contains the image or likeness of Michelle McGee and/or Michelle Bombshell.

We further demand that you confirm to us in writing within ten (10) days of receipt of this electronic communication that: (i) you have not released any unlicensed material that contains the image or likeness of our client; and (ii) that you will refrain from posting any similar infringing material on the Internet or releasing it in any other form in the future. If you do not comply with our request and proceed to utilize her image or likeness in any unlicensed or unauthorized manner, you will leave us with no other choice but to pursue all available legal and equitable remedies against you.

We expect a response to this communication no later than 8pm on March 31st, 2010 at the email address listed above.

Sincerely,

Zach Cordner, Manager
