

Nothing Compares 2 u.

It's been 7 hours & 13 days
Since u took your love away
I go out every night and sleep all day
since u took your love away
Since u been gone, I can do whatever I want
I can see whomever I choose
Eat my dinner in fancy restaurants but nothing I say nothing
can take away these blues, cuz nothing compares, no
nothing compares 2 u.

It's been so lonely without u here
I'm like a bird without a song
Nothing can stop these lonely tears from falling
Where did I go wrong?
I could put my arms around every girl I see, but they
only remind me of you.
I went 2 the doctor & guess what he told me
Boy, u better try 2 have fun no matter what u do, but he's
a fool, cuz nothing compares, nothing compares 2 u.

It's been 7 hours & 13 days,
Since u took your love away.
Nothing makes me happy anymore any price I would've paid
just 2 have u here today.
All the flowers that u planted in the back yard
they all died when u went away.

I hope that living with us was satisfactory
but on a other point in the experiment another try
any other languages, other experiments.
