Before the rumors start Seth Percy and I have mutually decided to split up. The public pressure is more than he knows how to deal with and I need someone more supportive to help get me home. Seth was there to answer the phone for over 2 years and helped me ~~with~~ maintain my Fight Career. So I have nothing but to say about him, he has a long hard road ahead of him in life to get on board that the world does not owe him, he will learn he owes the world, Honesty, Respect and giving back is Gods plan to succeed at anything, His Mother was amazing to me and I wish Him, His Son, His Mom well on their Journey.

Someone other, much more mature and supportive will be a huge part of my life soon, that I'm sure will come to light as everything else does.
Love Bless
