Dear Mr. Sheen,

On behalf of the homeless youth My Friend's Place (MFP) serves, thank you for your generous gift of \$50,000. Your support helps us to provide the life-changing services that nourish the body, inspire the mind and equip for brighter future. Together we are able to care deeply for each of the 1,700 youth who walk through our doors by supporting their journey out of homeless and into stability and well-being.

Through our Safe Haven, Transformative Education, and Health and Well-Being Programs, homeless young people ages 12 to 25 and their children can access a broad continuum of care including:

- Emergency resources such as food, clothing and showers
- Basic medical care
- Therapeutic case management
- Legal services
- Creative arts
- Well-being and life-skills workshops
- Education and employment assistance

My Friend's Place now celebrates a milestone 25 years of service in the Hollywood community! From our humble beginnings serving meals from our cars to the comprehensive resource center of today, compassion remains the very core of our work. In our mission to assist and inspire homeless youth toward self-sufficiency, it has been our honor to witness so many young lives undergo incredible transformation.

We thank you for investing in our work to serve the needs of the most vulnerable young people in Los Angeles. It is only through the generosity of our committed supporters that we have been able to grow and remain a vital part of this community. We invite you to learn more about further opportunities to get involved this year. I would welcome your call at [REDACTED] or you may visit our website at www.myfriendsplace.org.

With Gratitude,

Heather Carmichael, LCSW
Executive Director
