Re: Lohan, Lindsay
Your File No. T103460007

Dear Detective Neagles,

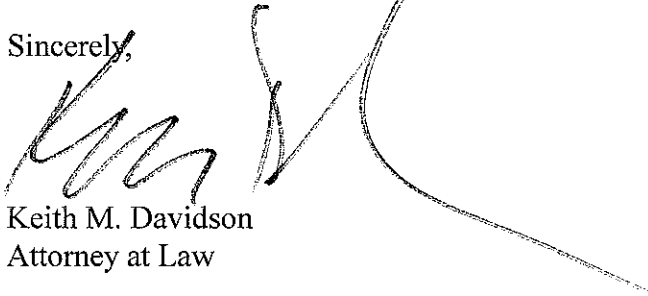

As we discussed, I am the attorney for Dawn Holland who was the Betty Ford Center employee involved with Ms. Lohan on December 12, 2010.

As we discussed, Ms. Holland does not wish to see Ms. Lohan arrested, let alone prosecuted for the described events.

Further, I cannot presently foresee a set of circumstances wherein I would not advise Ms. Holland to refrain from answering any questions posed by any government agent about the incident.

Please call if you have any questions regarding this correspondence or anything else.

Sincerely,

Keith M. Davidson
Attorney at Law
