I have known Michael Lohan for about 2 1/2 years, we lived together for about a year 1/2 - he is currently my ex boyfriend. On 12/7/09, he was present in 1st District Court in Central Islip where he received an order of protection to stay away from me, Erin Muller. Today, 12/13/09, at about 11:30 AM, Michael called my home # [redacted] from a private telephone #, and started harassing me, questioning me who I have "been with", who's car was currently in my drive way, things like that. The 1st phone call lasted about 2 minutes & the 2nd call, when he called back 2 minutes later, lasted about 5 minutes. During the calls, I kept reminding him that he was not supposed to be calling me, or near me & that I was calling the police. I know for a fact it was Michael on the phone because I know his voice & he also acknowledged his name & I also have the two conversations recorded. I am very fearful that Michael will do bad things to me & my family, I want him arrested. (Use additional pages as needed)
