Report Narrative **Officer Lemke #608 is the report writer.**

**SUMMARY:** Officer Lemke stopped the listed Ford Explorer for traffic (speeding 50/35 and running off of the road). Investigation revealed that the driver; ELENA ANNE FORD, was OWI. There was a child in the vehicle later ID'D as ALESSENDRO JOSEPH FORD (W/M [REDACTED]). Elena Ford was arrested for OWI-Child Endangerment. Alessendro Ford was transported to FPD. Elena Ford was secured and transported to FPD. The listed Ford Explorer was impounded. Elena Ford was booked into custody, read her chemical test rights and then met with her Attorney; Todd Flood. Elena Ford was read her chemical test rights again and agreed to submit to a breath test. Elena Ford submitted to the breath test with results of .14 BAC (2326 hours) and .14 BAC (2326 hours). Elena Ford was locked up without incident. Alessendro Ford was turned over to Todd Flood on Elena Ford's request.

**TRAFFIC STOP:** On 04/03/2011 I (Ofc Lemke) was assigned to P62 (fully marked patrol car with overhead emergency lights and in full uniform).

At approx 2150 hrs I was on patrol NB on Woodward from 8 Mile Rd. I saw the listed dark grey Ford Explorer in left lane (#4 lane) NB on Woodward at a high rate of speed. I was able to pace the Explorer NB from Wordsworth to College at 50 MPH in the posted 35 MPH zone. The Explorer was not able to maintain a steady track in the lane and swerved from side to side. North of College the Explorer brushed against the curb on the median. The Explorer slowed to 40 MPH but continued NB. Between Troy and Nine Mile the Explorer ran off the road to the left. Both left side tires drove over the curb on the median and the Explorer bounced back onto NB Woodward. I activated the overhead emergency lights to start a traffic stop.

The Explorer continued NB at and slowed to a stop in the NB to SB turn around lane just south of Cambourne. The Ford Explorer nearly pulled partially into the NB traffic lane (#4). I radioed that I was on traffic w/ MI plate 023M590. Ofc Wurm responded to assist me.

**INTERVIEW w/ DRIVER; ELENA ANNE FORD:** I approached the Ford Explorer and made contact with

the driver; later ID'D as ELENA ANNE FORD. When Elena rolled the driver's window down I smelled a very strong odor of intoxicants. I saw that her eyes were glassy and watery and that her face was flushed red. I asked what had happened to make her drive over the curb and off the road. Elena said, "I was trying to use the phone." Her speech was slurred. I asked Elena for her driver's license and the vehicle registration and proof of insurance. The left rear passenger's window was rolled down. There was a child sitting in the window seat. I asked the boy how old he was. The boy responded, "11." Elena gave me her driver's license. I asked Elena how much she had to drink. Elena said, "I had 2 drinks." I suspected that Elena was OWI.

**LEIN / SOS CHECK:** I went back to P62. I ran a LEIN check on Elena. She was clear LEIN and valid on SOS.

**FIELD TESTS:** I went back to the Explorer and asked Elena to step from the vehicle. I explained that I wanted to make sure that she was safe to drive away. I asked Elena if she had any memory, medical, mental or balance problems. Elena said that she was fine. I asked if Elena took any medications. Elena said that she did not. I asked how long had it been since she had anything to eat, drink smoke or in her mouth. Elena said, "It's been 2 hours since I ate and an hour since I had anything to drink." Elena said that she did not smoke and had not had anything in her mouth. I demonstrated and explained the following tests and confirmed that Elena understood what I was asking her to do before asking that she attempt them. We were standing on the median (out of traffic and off the road). I did not ask Elena to attempt the walk and turn or the one leg stand because the area was grass covered and not level.

1. **ALPHABET:** Elena started: A B C D E F G A B C H I D J K L M N O P Q R S T U V X W Z and stopped.
2. **COUNT 100-80:** Elena started: 100 99 98 97 96 (PAUSE) 94 96 95 94 93 92 91 90 Elena stopped and said, "Do I need to continue?" I asked Elena to continue to 80. Elena started again: 80 89 88 87 86 85 84 83 82 81 80 and stopped.
3. **FINGER TIP TO THUMB:** Elena counted on both hands. I demonstrated the test again for Elena. She counted properly and was able to touch her thumb to each finger tip as I had asked her to do.
4. **HORIZONTAL GAZE NYSTAGMUS:** Elena showed a lack of smooth pursuit in both eyes. Elena showed a distinct nystagmus at maximum deviation and an onset of nystagmus prior to 45 degrees in both eyes.
5. **PBT:** I advised Elena of her PBT rights. Elena said that she did not want to take the test without talking to her attorney. I told Elena that she was under arrest for OWI. Elena said, "I'll take the test." Elena sucked in rather than blowing as instructed. I explained the test again. Elena submitted with a result of .18 BAC.

I told Elena that she was under arrest for OWI. I handcuffed (double locked) Elena and secured her in P62.

Ofc Willey arrived on scene. I asked Ofc Willey to transport the juvenile passenger; later ID'D as ALESSENDRO JOSEPH FORD [REDACTED] to FPD.

I completed the impound slip and turned the vehicle over to Ofc Wurm to complete the impound process.

I transported Elena to FPD and secured her into the booking cell.

**CHEMICAL TEST:** Elena was booked into custody. I read Elena her chemical test rights from DI-177 at 2245 hours and requested that she submit to a breath test. Elena asked to talk with her attorney Todd Flood P58555 (Flood was in the FPD lobby).

Elena was secured into the attorney visitation room at 2245. She met with Flood until 2300.

I confirmed that Elena did not have anything in her mouth and secured Elena into the booking cell and read her chemical test rights again and asked if she would submit to a breath test. Elena said that she would submit to the test. I started the 15-minute DataMaster observation timer at 2301 hours. I watched Elena during the observation period. Flood was secured into the booking cell with Elena. Lt O'Loughlin and I observed to make sure that no items were passed between Flood and Elena and that Elena did not put anything into her mouth. I set the DataMaster up for the test. Elena submitted to the breath test with results of .14 BAC (2326 hours) and .14 BAC (2328 hours).

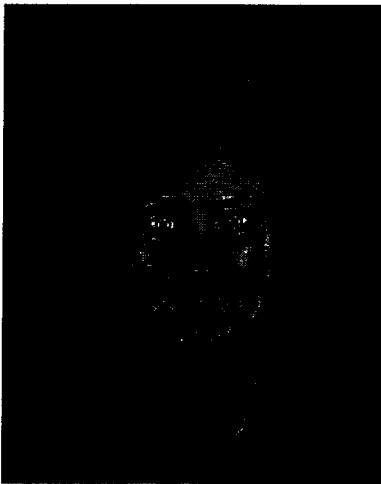

Elena was secured back into the booking cell and Flood met with her further.

NOTE: I completed a UD-10 Crash Report. I also completed a FIA 3200 Form and contacted the Michigan Department of Human Services for Oakland County. I made verbal notification to Shamica Montgomery of DHS and faxed the 3200 form to DHS.
