See I have a very strong opinion that the black community hates to hear.. but needs to hear... we need to learn how to deal with police... and or racism... because THIS is the part of the scenario we have failed to fix.

We have to work on our community before blaming everything on "racist" and police. 1... there is STILL black on black violence that needs to be addressed... and 2.. if we KNOW that the wrong white person could change our whole life with a false accusation ...

WHY DO WE GIVE THEM THE ENERGY THEY WANT?
Give them an inch they WILL take a mile..... We literally know this already. At what point do we look at ourselves and make adjustments?

No one asked for my opinion but it's 2020 not 1945... meaning I'm more focused on black FUTURES than black history. I personally refuse to feel like a victim.. I refuse to have a slave mentality. I don't not fear for my life because I know how to carry myself in tuff situations.

And I KNOW there are many of us that have literally NEVER experienced a cop or racist hunting you down for your life.

I'm pro LIFE... but I'm obviously black so don't misunderstand what I'm saying. Black lives shouldn't be taken so heartlessly.

I just feel the solution is not to continue to handle the situation the way we've been handling it... there are no results... that is **LITERALLY** the definition of insanity.

Look... all I'm saying is.. in the MOMENT.. when we are experiencing racism.. can We the black community find ways to avoid being killed? Or hunted

But this is the mentality is speaking about.. we can choose to make them deal with us.. but then AFTER we get hurt... then what? The black community is put on repeat... I'm saying let's find a way to stop anything that can be stopped from happening

So honestly... everyone tweeting me.. step out of defense mode for a second.. because there is no "losing me" I AM black.. AND iv probably dealt with more police situations than most black people that comment on what's going on.

I'm talking about a solution outside of what we have been doing.. are we (the black community) going to attack ME for that? I don't wanna keep hearing about new names on this list of innocent people... I want it to STOP.. how can we HELP stop the problem.
