

Mr. Robert M. Baum
Federal Defenders of New York Inc.

Dear Mr. Baum,

I am writing to you about your client Anna Chapman.

Our firm, Vivid Entertainment, is the leading adult film studio and we are very interested in extending an offer to Ms. Chapman to make a feature movie with us.

We realize that she is currently in Russia and may not yet be able to make business deals, but we wanted her to know that we are ready and eager to talk terms with her.

We've been in business for over 25 years, we are a widely recognized brand and we have distributed movies starring such high profile celebrities as Pamela Anderson, Kim Kardashian and most recently, E! TV Network star Kendra Wilkinson.

I look forward to hearing from you about this opportunity for Ms. Chapman.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven Hirsch", written over the word "Sincerely,".
