ABOUT HIM & WHO HE'S LOOKING FOR

HIGHLIGHT OFF

My self-summary:
 Look Down
 Look Up

Learning is really great, knowledge is power as the famous Sir Bacon said.

Prefer listening to yuh, talking not so much. So if you need an ear, I am here.

The first things people usually notice about me are
 My soul penetrating eyes. Woah that's deep.

List o' faves -

Book:
 Where's Waldo (guy never changes his outfit, should probably find a better disguise).

Movie:
 Too many good movies to have a favorite, maybe Dumb and Dumber, Hachiko, Star Wars etc.

Music:
 Techno and electronic are great, none of that dub step wub wub wub though.

Food:
 If it's edible I'll eat it.

Things I could never do without
 Air, water, sustenance, shelter, the internet, and my car. Another? You of course :)

I spend a lot of time thinking about the future, mind = blown.

On a typical Friday night I'm:
 Watching movies or shows on netflix like Party Down, How I met your Mother, Arrested Development and such. Would rather have a beer at your place instead of going to some bar.

The most private thing I'm willing to admit
 If I admitted it, then it wouldn't be the most private thing anymore, paradox boom!

I'm looking for

Girls who like guys
 Ages 19-38
 Near me
 Who are single
 For flings, foodies, activity partners or whatevs.

You should message me if
 If you're interested obviously. Or lookin' for sexy times, very nice! .
