

Dear Joe.

I would like to acknowledge for the record that the media reports that you beat up Jayde Nicole at the Guys and Dolls nightclub in August 2009 were completely inaccurate. The entire incident was an unfortunate misunderstanding, and I am sorry about the whole thing. I have always known you to be a gentleman and I'm very sorry that you were wrongly accused that night. On another note, please accept my congratulations and best wishes on your recent marriage.

Best regards.
