Re: *Cease and Desist*

Dear Ms. Germon:

This firm represents the management of Tessica Brown (“Tessica”) and has been engaged on Ms. Brown’s behalf. It has recently come to our attention that you have made disparaging statements regarding Tessica to third-parties through social media alleging that she fabricated an unfortunate and traumatic incident which has recently been reported upon by various news outlets. Tessica’s situation was neither contrived, nor a joke, and it is disappointing that you are attempting to capitalize on her misfortune. The statements you have made are false, defamatory and to our mind, are being made with the sole intention of causing loss and damage to Tessica personally and professionally, for your own gain. We cite specifically the following post on your Instagram account:

You are hereby notified to **cease and desist** making false and defamatory statements regarding Tessica to any and all third-parties, immediately. If Tessica is compelled to commence legal action against you in order to prevent you from continuing to make false and defamatory statements, be advised that she will seek recovery of all losses and damages incurred thereby. We further request that you immediately remove the post identified above.

Reserving all rights.

Very truly yours,

FISHER & WOLFE LLP
