DECLARATION OF DAVID V. BECKHAM

I, David V. Beckham, declare as follows:

1. I am the Plaintiff in the above-entitled action. I have personal knowledge of the facts set forth herein. If called as a witness, I could and would competently testify to the matters stated herein.

2. I have read the article published in *In Touch Weekly's* October 4, 2010 issue entitled "David's Dangerous Betrayal." I am the subject of the article, and the article makes a number of allegations about me. All of the allegations about me made in the article, including those attributed to Irma Nici, are completely false.

3. As detailed in my Complaint, Defendant Nici has fabricated at least the following facts about me: (i) that in August 2007, I committed adultery with Nici and another prostitute by paying for sex with the two of them at Manhattan's Le Parker Meridian hotel; (ii) that about a month later, I again committed adultery with Nici at the Claridges Hotel in London; (iii) that in October 2007, I contacted Nici while I was in New York seeking to again commit adultery, but Nici was in London; and (iv) that Nici has had sex with me five times in total. Each of these statements is unequivocally false. I have never met Nici, let alone committed adultery with Nici or paid her for sex.

4. Irma Nici's statements have caused me and my family great anguish and emotional distress, and have adversely affected both my personal life and my professional life.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed October 13, 2010, at Los Angeles, California.
