Declaration History

pg 1 of 2

I dated and lived with Charles Pearson (Charles)

for over 5 (Five) years. We finally broke-up about

1 year ago, and he moved into his parents house,  
within the same vicinity as me. ~~my~~ This was in Jan-Feb (2007).

In June 2007, I placed my house on the market. This very  
much upset him, and he started to make on-going  
harrassing phone calls to me, my co-workers, and friends.  
He started claiming I was having an affair ~~with~~ my  
real-estate agent, and my female co-worker. He even visited  
the office of my real-estate agent and inquired about  
our "alleged affair." My agent assured him there was nothing  
But this didn't stop Charlie from stalking me, calling at  
all hours, and leaving voice mail messages that are threatening  
and requesting money. I called his mom as I have a good  
relationship with her, and she promised to contain the  
situation. She daimes "his mental state is quietly  
deteriorating and if I call the police it will only  
get worse." I agreed. The emotional stress and the  
fact he was calling my coworkers warning them that I  
was "suicidal" etc. caused me to withdraw the sale of my  
house. ~~This~~ <sup>Things</sup> seemed to calm down for a few months  
with drew House Sale July 07. I recently listed my

House again. Apparently Charlie found out about this. He called me yesterday and stated "I want you to come clean about your affairs. I am going to take action. I have guns and ~~but intend~~ to use them." He then showed up at my work, thinking He would find me, and was upset and irrate. He was ~~also~~ yelling and making crazy claims.

He referred to his website "www.internetbuckers.com" where He has my name on the front page of the site + referred to in a vulgar manner. He yelled at my parent and told them to "Shut-up + listen" while holding a video camera recorder. He says FBI is all around recording every thing and He has a message for each of my family members. He made several obscene + outrageous threats and claims directed at my family, and wants my family to "get in order" ~~or~~ He will "take care of everyone." Police were called.
