WHERE FATES COLLIDE, ONE ROAD APPEARS.

C/O William Morris

Dear Tim Tebow,

You have been a great idol for so many by your display of courage and strong faith that all things work together for those who love God and are called according to His purpose. (Romans 8:28) That was the theme of our latest film [CrossroadMovie.com](http://CrossroadMovie.com) which is now licensed in Brazil, Africa, Europe, Australia and more. It is touching so many hearts and changing lives around the world.

I would like to extend to you an invitation to star in my next Faith-Based Film. You are an inspiration to so many on the field and off, and I am certain that your passion will also come through in films.

I am excited to hear back from you.

Sincerely, David Dginguerian
